Daejeon Expo science park

EXPO Science Park is a theme park to succeed and commemorate the successful holding of the 1993 Daejeon World Expo, and has the Daejeon EXPO Memorial hall and World EXPO Memorial museum. They are top quality in Korea and are full of various events year-long. From the symbolic Hanbit Tower, you can observe all the major regions of Daejeon city at once. It has been 20 years since the EXPO Science Park was built on Hanbatbul field.

Yuseong Hot Spring

At Yuseong Hot Spring Street, Asian Fringe trees with snow-like white petals are planted along the street and the beautiful Snow Flower street is built. It has two foot baths accommodating 80 people with 100% hot spring water pulled up from 200 m underground and maintained at 41 – 43 °C. It also has a waterway. The foot baths are free to access and are popular for tourists as well as local residents even late during the day.
